

# Iced Chocolate Almond Milk Shaken Espresso

## [Keurig® Version]

---

### Ingredients

Make a size equivalent to Starbucks grande.

- 2 T chocolate malt powder
- 2 espresso K-Cup® coffee pods
- 2 T almond milk

### Instructions

- Prepare both of your espresso K-Cup® coffees on the lowest water setting of your Keurig® brewer.
- Fill a martini shaker with ice.
- Pour the brewed coffee and chocolate malt powder into the martini shaker.
- Shake VERY well.
- Pour into a cup.
- Pour the almond milk slowly over the shaken espresso.
