

Iced Shaken Espresso

[Keurig® Version]

Ingredients

Make a size equivalent to Starbucks grande.

Shaken Espresso

2T simple syrup
2 espresso
K-cup® pods
2T heavy cream

Simple Syrup

1C water
1C granulated
sugar

Instructions

Simple Syrup

1. Heat the water until just under a boil.
2. Pour in the sugar & stir until dissolved.
3. Let cool.

Shaken Espresso

1. Prepare both espresso pods on the lowest water setting of your Keurig® brewer.
2. Fill a martini shaker with ice.
3. Pour the brewed coffee & simple syrup into the martini shaker.
4. Shake VERY well.
5. Pour into a cup.
6. Slowly pour the cream over the shaken espresso.
